CSUEB DISCOUNT PROGRAM

Introduction Letter

Dear Business Owner/Manager,

In an effort to improve the California State University student, faculty, and staff experience and promote CSUEB shuttle service to downtown Hayward, the Associated Students Inc. and Parking & Transportation Services Department have partnered to work with Hayward businesses and the Hayward Chamber to promote a discount program for our campus community. We have been registering businesses for the program and then advertising this program to our students, faculty, and staff through web, social media, on campus promotions, and tabling events. We are thrilled to offer this discount program to our campus community so they can see all that Downtown Hayward has to offer! We would like you to be part of this exciting opportunity.

Our Offer:

CSUEB Associated Students and partners will cover all initial costs associated with the printing and designing of marketing materials for this program. All we ask is that you provide a discount of 10% or more off a typical service, product, or food item, or you can propose an equivalent discount. The discount will allow us to introduce our students, faculty, and staff to your business and hopefully increase your future foot traffic. We will also provide new decals for your business. The decals have a QR Code printed on them, which will link anyone with a QR code reader (smart-phone, etc.) to the ASI CSUEB Discount Program website, where they can see all businesses currently participating in our program, including yours!

Currently, the program requires that the Campus ID Card be shown to receive the discount.

If you would like to participate, please register using the Letter of Agreement included with this material and fax to (510) 885-7415, Attn: Lil Parker, or scan and email it to lil.parker@csueastbay.edu
