Harry Waters, Jr., Professor Emeritus of the Department of Management, Passed Away May 26, 2013

Harry Waters, Jr., Professor Emeritus of the Department of Management, passed away May 26, 2013. He began his career at CSU, Hayward (East Bay) in 1986 and retired December 31, 2012.

A private memorial service is scheduled for Sunday, June 2 at Don Edwards Wildlife Refuge.

The attached was forwarded to us by the family of Prof. Waters.

To Harry's CSU East Bay friends and colleagues,

It is with profound sadness that I share with you the death of my husband, Harry. Through a cascade of unfortunate and unforeseen consequences, a series of low-level medical issues led to his hospitalization on Friday where they discovered massive blood clotting in his lungs that led to extended cardiac arrest followed by pervasive system's failure from lack of oxygen. He died peacefully Sunday morning being held by me and our children - the way he would want to go.

Attached please find memorial thoughts and information.

with appreciation in advance for all of your love and support,

Louise
