

Changes to Student Center in MyCSUEB

We want to give you a quick overview of some of the major changes to Student Center.

The first thing you will want to do is clear your internet browser's temporary files. This will help insure that any old web pages that your browser has stored will not interfere with the new MyCSUEB web pages. Click on the link and it will provide you with instructions for your specific browser. <http://solutions.csueastbay.edu/questions.php?questionid=301>

Student Center is now organized slightly differently than in the past. As before, you can still get a quick glance at your class schedule, to do list, enrollment appointments, account balance and your personal information. You will notice however that the old links have changed under the Academics Heading,

The diagram illustrates the changes to the Student Center interface. It shows two versions of the Academics menu: 'Old Links' and 'New Links'. Arrows indicate the mapping of old links to new ones.

Old Links:

There are now three hyperlinks that lead to the three different functions of Student Center. Search will take you to the online schedule of classes. The Enroll Tab and the My Academics Tab are described in more detail below.

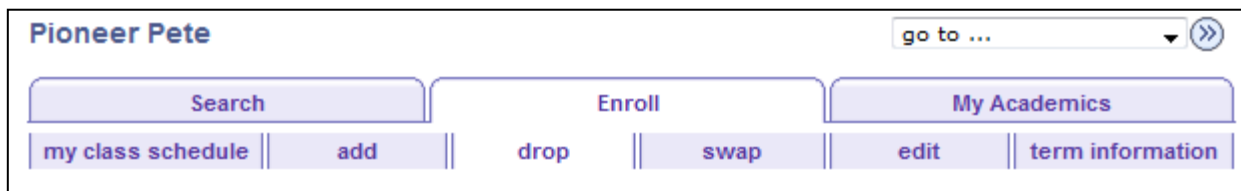

The Enroll tab

The Enroll Tab displays all the functions for managing your schedule within a tabbed format.

Now you will be able to quickly switch back and forth between adding/dropping by clicking on the appropriate sub-tab.

The entire enrollment process is very much the same. Students can still add classes to a shopping cart and then process the enrollment for several classes at one time.

New View

The screenshot displays the "Spring Quarter 2012 | Undergraduate | CSU East Bay" interface. It includes a "change term" button, status indicators for "Open", "Closed", and "Wait List", and a "Spring Quarter 2012 Shopping Cart" table. The shopping cart table has the following data:

Delete	Class	Days/Times	Room	Instructor	Units	Status
	MGMT 3600-01 (1005)	MoWe 6:00PM - 7:50PM	TBA	Staff	4.00	

Below the shopping cart, there is a "PROCEED TO STEP 2 OF 3" button. At the bottom, there are status indicators for "Enrolled", "Dropped", and "Wait Listed", and a section titled "My Spring Quarter 2012 Class Schedule" which displays the message: "You are not registered for classes in this term."
