

Congratulations on your admission to California State University, East Bay. As an admitted student, we ask that you indicate your intent to register and submit a \$100 non-refundable enrollment deposit to reserve your place in the entering class. Financial Aid students awarded a Pell Grant may request an enrollment deposit fee waiver. **Students are encouraged to submit their Enrollment Confirmation Deposit online through MyCSUEB at <http://my.csueastbay.edu> using a credit card. This is the fastest method to secure your place at CSUEB.** If you prefer to pay by check, complete this form and return it with a \$100 check made payable to Cal State East Bay.

All admitted students must submit the Enrollment Confirmation Deposit by the deadline listed on their admitted student checklist. Enrollment Confirmation Deposits will not be honored if the \$100 deposit is not received by the deadline.

We look forward to seeing you on campus!
